Biometric Screenings

View Biometrics Data and Biometric Action Needed

Viewing your Biometric status – This screen will identify your current biometric gaps for the year. Gaps are areas/actions that need to be satisfied in order for you to receive your health plan rewards.

1. Click Biometrics
2. Click “Biometrics”
3. Click “View Details”
4. The View Biometric Data screen will open and display your current values and areas you need to complete your biometrics. **For 2020, if you do not receive a Golden, you will need to complete a telephonic screening or submit a provider form.**

Biometric Action Types:

- Golden – You are all set.
- Full Screening – You need to attend a wellness screening (you will need to fast).
- Partial Screening – You need to attend a wellness screening but do not need lab work (no need to fast).
- Lab – You need to take a lab voucher to a NLH lab (you will need to fast).
- Biometric Action field – Recently health plan eligible employees, you need a full screening.

Beacon Health Wellness Program Instructions

Upload Your PCP Provider Form

If you're missing values you can attend a screening or your provider can complete a PCP Provider form available at <http://beaconhealth.me/> between dates identified in email communication and upload here.

1. Click Biometrics
2. Click "Biometrics"
3. Click "Upload Data"
4. The Employee Information screen opens
5. Fill-in biometric information before attaching and submitting completed Provider form.

- a. Enter your biometric information and date of service for each area on the provider form
- b. Select your PCP from the dropdown (Practice will auto-populate)

Note: If your PCP is not listed, choose "Other" from the Dropdown then fill in the PCP and Practice fields

- c. Click the Browse button next to the Upload PCP File to select a file from your computer

Note: Must be .jpg, .png, .jpeg or PDF file formats and max file size of 5MB

- d. Optional: Fill-in personal email field to receive email communications from the wellness platform at this address.

- e. Click Save
 - i. Validation Success: a message of "Biometrics details saved successfully" will appear
 - ii. Validation Failure: Red Boxes will highlight the problem fields, review the error message for guidance to fix the problem, re-enter your information as applicable.

To Cancel click the cancel button.

The "Save Changes?" message will appear, clicking OK will clear all entered data. Cancel will return you to your data entry screen.

For Questions please contact beaconwellness@northernlight.org
